

Appendix B

Participation of Students as Human Subjects

I understand that as part of my experience at the LMU-Harrogate Physician Assistant Program, I will be required to participate as a living subject and an examiner during the Didactic Phase of the Program. The program faculty expects that students will be willing, professional, and cooperative in participating in the physical examination courses and practicums.

I understand that I need to come to laboratories prepared and that I may be required to partially disrobe. I also understand that shorts will be required when examining the lower extremities.

Upper body, including thorax, abdomen, and extremities will be examined. Males should remove their shirts and women should wear sports bras so they will be able to remove their shirts.

I understand that participation will not include breast or genitalia examinations. These examinations will be learned with the use of mannequins and/or professional patients.

I understand that faculty expect all students to dress as listed above for the designated activities and be willing to be inspected, palpated, percussed, and auscultated by their peers.

Exemptions based on religious / cultural beliefs will need to be made in writing to the Program Director for approval. These exemptions will be communicated to the Didactic Director and course director for Clinical assessment and Technical Skills courses.

I have read, understand, and agree to abide by the Participation of Students as Human Subjects policy.
